We are not responsible for and do not provide any guarantee or warranty regarding the telecommunications technology and GPS used to support NissanConnect Services/MyINFINITI. We are not responsible for any modifications made by those who provide these technologies, and any loss of service resulting from it.

7.5. Content Providers. Certain Service Providers impose further terms and conditions on providing services (for example, the end user terms covering navigation and location data). By using NissanConnect Services/MyINFINITI, you also agree to be bound by those additional terms and conditions. Nissan/Infiniti makes no representations regarding the availability of any applications or of the content you select when using the NissanConnect Services/MyINFINITI and cannot be held responsible for application availability or the content provided to you.

7.6. Maps and Navigation. The routing data that we provide to you is based on the map information available to us during the manufacturing process, but may be inaccurate or incomplete when first used by you. For example, our routing data may not include information about one-way roads, turn restrictions, construction projects, seasonal roads, detours or new roads. It may suggest using a road that is now closed for construction or a turn that is prohibited by signs at the intersection. In addition, traffic, weather and other events may cause road conditions to differ from the results generated. Therefore, you should always use good judgment, obey traffic and roadway laws and instructions and evaluate whether it is safe and legal based on current traffic, weather and other conditions to follow the directions provided by the NissanConnect Services/MyINFINITI or your Vehicle's navigation system. Nissan/Infiniti makes no representations regarding the completeness or accuracy of the map information provided to you other than it is based on the most current map information available to us when you subscribe to the NissanConnect Services/MyINFINITI.

Nissan/Infiniti will not be held responsible for any inaccuracies or incompleteness of the map data provided to you.

7.7. Geography and Environment. There are other circumstances that we do not and cannot control that may prevent us from providing NissanConnect Services/MyINFINITI to you at any particular time or place, or that may impair the quality of the NissanConnect Services/MyINFINITI. Some examples are hills, tall buildings, tunnels, weather, electrical system design and architecture of your Vehicle, damage to important parts of your Vehicle in an accident, or wireless phone network congestion. Nissan will not be responsible or liable for any inability to use the NissanConnect Services/MyINFINITI due to any of the above circumstances.

7.8. Outside Our Control. We are not responsible for any delay or failure in performance if such failure or delay could not have been prevented by reasonable precautions. Additionally, we are not responsible if such failure or delay is caused by acts of nature, or forces or causes beyond our reasonable control. Examples include public utility electrical failure, acts of war, government actions, terrorism, civil disturbances, labor shortages or difficulties (regardless of cause), or equipment failures including Internet, computer, telecommunication or other equipment failures.

7.9. Available Information. The NissanConnect Services/MyINFINITI may be limited to certain geographic areas where map data and/or content providers are available. In such case the geographic coverage may be less important than what is otherwise generally available.

7.10. Vehicle integrity and information. For use of the NissanConnect Services/MyINFINITI your Vehicle must have a working electrical system including, in case of an electro vehicle, adequate battery power. The NissanConnect Services/MyINFINITI may not work if you try to add, connect or modify any equipment or software in your Vehicle (such as plugging devices in to the Vehicle's electrical system or diagnostic port, or otherwise modifying the Vehicle).

8. WARRANTIES & LIABILITY

8.1. No Warranties. Warranties are special kinds of promises. Your Vehicle's limited warranty or hardware maker's limited warranty (if applicable) includes the NissanConnect Services/MyINFINITI equipment in your Vehicle, BUT DOES NOT COVER THE NISSANCONNECT SERVICES/MYINFINITI OR THE WIRELESS SERVICE. Due to circumstances beyond our control, we cannot promise uninterrupted or problem-free service, and cannot promise that the data or information provided to you will be error-free.

To the fullest extent permitted by law, and except as explicitly provided otherwise, this Agreement and any disputes arising out of or relating to it will be governed by the laws of England without regard to its conflict of law principles, and by any applicable tariffs, wherever filed. You and we agree that any disputes arising out of or in connection with this Agreement or your use of NissanConnect Services/MyINFINITI shall be subject to the exclusive jurisdiction of the courts of the Dubai International Financial Centre, Dubai, the UAE.

9.2. We Can Assign these Terms of Use. We can assign this Agreement in whole or in part to anyone we choose. You may not assign these Terms of Use or your obligations to anyone else without Nissan/Infiniti's prior consent.

9.3. This is the Entire Agreement. This Agreement (these terms and conditions and any other Nissan/Infiniti documents incorporated in them) constitute the entire agreement between you and us. It supersedes all other agreements or representations, oral or written, between us, past or present, and may not be amended save as provided in this Agreement. If any part of this Agreement is considered invalid by a court or arbitrator, the rest of it will remain enforceable. Even after these Terms of Use have ended, their provisions will govern any disputes arising out of or relating to it (unless it has been replaced by a new agreement between us). It will also be binding on your heirs and successors and on our successors. No waiver of any part of this Agreement, or of any breach of it, in any one instance will require us to waive any other instance or breach. IN SOME CIRCUMSTANCES WE MIGHT DECIDE TO PROVIDE YOU SERVICE VOLUNTARILY EVEN IF YOU WOULD NOT OTHERWISE QUALIFY. THIS WILL NOT BE A WAIVER OR REQUIRE US TO DO SO AGAIN. YOU AGREE WE WILL NOT BE LIABLE FOR ANYTHING RESULTING FROM OUR PROVISION OF SUCH SERVICE.
